Golden Birthday

Gold was in the air on February 18 as Kate Bauer celebrated her "Golden" birthday NOLA style. Gold was everywhere in the theme, the drinks, the food, the cake and even in the birthday girl's fabulous attire. The party was celebrated in the club/lounge formerly known as Loft 523, which Mr. Republic himself, Robert LeBlanc is taking over with his partner, Brandon Brown in charge. Fun was definitely had by all at this "Golden" event following a night of Mardi Gras parades. Happy birthday Kate!
